9. Rules 7 and 8 shall not be regarded as permitting the use of water drawn from a house-connection for other than domestic purposes.

10. All payments due under these rules shall be recovered by the President of the City Municipality, upon requisition of the Water-Supply Department, under Rules for Recovery of Municipal Revenue.

11. The Government reserves to itself the power, whenever it deems fit, to alter or modify the foregoing Rules, or to abolish altogether the system of house-connections to be established thereunder.

12. Every house-connection shall be regarded as established subject to the conditions and regulations contained in the Rules as above or as they may be altered or modified for the time being by order of the Government.

13. The foregoing Rules shall apply, *mutatis mutandis*, to all public institutions,—such as schools, temples, mosques, churches, public offices,—the supply allowed in each case being determined by the Water-Supply Department, and any excess used over and above such supply being measured by water-meters and paid for by the institutions concerned, at the rates prescribed in Rule 8 above.

14. Rules 1, 4, 5, 6, 10, 11, 12 and 13 above shall apply, *mutatis mutandis*, to public street fountains which have been, or may be, allowed to be erected at the expense of private individuals for dedication to public use, and such fountains shall further be subject to the following conditions, namely :—

i—That their number shall be strictly restricted by the *bonâ-fide* public requirements of particular localities.

ii—That they shall in no case be within the distance prescribed for the time being by the Water-Supply Department for particular localities, from any other public fountain.

iii—That their free and unobstructed use at all hours by the public, or section of the public for whose use they are intended, be duly safe-guarded. And

iv—That their dedication to the use of the public, or of a section of the public, as the case may be, be posted up in legible characters in English and Canarese.

15. The expression "Water-Supply Department" as used in these Rules shall, until further orders, mean the Chief Engineer and Secretary to the Government of Mysore in the Public Works Department, and any officer deriving his authority from him.

16. The foregoing Rules shall be published in the official Gazette and in such other ways as the Water-Supply Department may consider necessary. Every person or institution applying for a connection from the public main shall be deemed to have subscribed to the regulations and conditions therein contained.
